DR. J DENTAL CENTER
- Dental assistant June 2021 - June 2022

I excel in the dental assisting role by efficiently admitting patients, providing clear instructions for procedures and post-treatment care. With hands-on assistance to dentists during procedures, I
maintain professionalism and ensure a seamless workflow. Working well under pressure, I demonstrate exceptional efficiency and time management skills, maximizing productivity in a composed manner.

BANNER HOSPITAL
- Patient Transport January 2018 - January 2020

Experienced in safe and efficient patient transport between clinics and designated locations. Meticulous coordination, adhering to protocols. Assess mobility needs, provide appropriate transportation. Emphasis on open communication, patient comfort, and privacy. Uphold professionalism and high standards of care.
