Mohamed Shabaan Othman

Prosthodontic and implant Specialist

MOBILE: (+2) / 01110430222 - EMAIL: dent.mohamedshaban@hotmail.com

Highly committed and detail-oriented prosthodontist with over six years of specialty experience in prosthodontics and clinical practice dating back to 2013. Holds a strong academic and clinical background with focused expertise in fixed prosthodontics, implantology, occlusion, and comprehensive treatment planning. Demonstrates strong diagnostic capabilities, clinical precision, and a patient-centered approach to care. Currently serves as a lecturer in the Department of Prosthodontics at Pharos University, Alexandria, with ongoing involvement in academic mentorship and clinical case supervision. Experienced in veneer fabrication, removable prosthodontics, and general restorative procedures, with additional familiarity in periodontal maintenance and CAD/CAM applications. Raised in Saudi Arabia, bringing a globally informed perspective and adaptability to diverse clinical environments.
