PROFESSIONAL SUMMARY

I am a post basic BSc nurse with more than 4 years of working experience as a registered nurse. I bring a comprehensive set of skills suitable for a nurse to monitor a patient's health adequately. In my registered nurse role, I honed my abilities in medicine administration, infection control and aseptic procedures, health education, vital signs monitoring and patient assessment, providing a firm foundation for the registered nurse position. Additionally, I possess excellent communication skills which help me to build a strong professional relationship with patients, family members, physicians and other health team members.
