Professional Summary

Highly experienced and results-driven General Dentist with 6+ years of comprehensive clinical experience. Proficient in diagnosing and treating a wide range of dental conditions with a focus on restorative, cosmetic, and preventive dentistry. Adept at managing complex dental cases, including endodontic and prosthodontic treatments. Skilled in handling diverse patient demographics, including pediatric, adult, and geriatric patients, as well as those with dental anxiety. Committed to delivering exceptional patient care by combining modern dental technologies with personalized treatment plans. A strong advocate for continuous professional development and collaboration with dental specialists to optimize treatment outcomes.

Key Competencies & Skills

- **Advanced Restorative Dentistry:** Expertise in crowns, bridges, veneers, and complex aesthetic restorations.
- **Endodontics:** Extensive experience in single and multi-rooted root canal treatments.
- **Prosthodontics:** Skilled in the design and fitting of complete and partial dentures, both removable and fixed.
- **Cosmetic Dentistry:** Specializing in smile design, teeth whitening, and corrective treatments.
- **Oral Surgery:** Competent in performing surgical and non-surgical extractions, including wisdom teeth removal.
- **Preventive Dentistry:** Strong focus on patient education, plaque control, and preventive care strategies.
- **Radiographic Diagnostics:** Proficient in IOPA, RVG, and digital OPG for accurate diagnosis and treatment planning.
- **Patient Management**: Exceptional communication skills, empathetic approach, and expertise in managing dental anxiety.
- **Team Leadership:** Ability to collaborate with multi-disciplinary teams for holistic patient care.
- **Infection Control:** Rigorous adherence to infection control protocols and universal precautions.

Work Experience

General Dentist

Dr. Vaidya Dental & Maxillofacial Surgery Clinic, Mohali (Pb), India

October 2020 – April 2024

- Delivered comprehensive general dentistry services, including advanced restorative and cosmetic procedures, ensuring exceptional patient satisfaction and treatment success.
- Led complex root canal therapies on both primary and permanent teeth, utilizing the latest endodontic techniques for optimal clinical outcomes.
- Expertly designed and placed prosthodontic appliances such as full ceramic crowns, PFM

crowns, and stainless-steel crowns, catering to both aesthetic and functional requirements.
- Managed full-mouth rehabilitations, including fixed and removable prostheses, offering customized treatment plans for patients with varying dental needs.
- Conducted both non-surgical and surgical extractions, including wisdom teeth removals, ensuring minimal patient discomfort and effective post-operative care.
- Provided orthodontic treatments using removable and fixed appliances for patients with minor malocclusions, achieving both cosmetic and functional corrections.
- Maintained strict adherence to infection control protocols and implemented universal precautions, ensuring a sterile and safe environment for all dental procedures.
- Enhanced patient education initiatives by creating personalized oral hygiene plans and conducting follow-up consultations, significantly improving patient adherence to preventive care.

General Dentist

Kapoor Dental & Cancer Detection Centre, Saharanpur (U.P), India

January 2018 – September 2020

- Provided high-quality general dentistry care, including comprehensive oral disease diagnosis, treatment planning, and multi-specialty services such as prosthodontics, endodontics, and pediatric dentistry.
- Performed complex oral surgeries, including crown lengthening, non-surgical and surgical extractions, and implant restorations, ensuring superior functional and aesthetic outcomes.
- Conducted dental restorative procedures using cutting-edge techniques and materials, enhancing patient comfort and long-term durability of treatments.
- Administered local anesthesia and sedation to facilitate pain-free dental procedures, particularly for patients with dental phobia or anxiety.
- Successfully executed cosmetic dental procedures, including teeth whitening and dental bonding, contributing to improved patient confidence and satisfaction.
- Led the design and implementation of treatment plans for patients with complex dental conditions, addressing both immediate needs and long-term preventive care.
- Collaborated closely with senior dentists and specialists in performing advanced dental procedures, including implant placements and oral cancer screenings.
- Regularly participated in dental care education programs and community outreach initiatives, increasing awareness of oral health best practices among the local population.

Intern Dentist

H.P Government Dental College & Hospital Shimla, H.P, India

November 2016 – January 2018

- Assisted in a wide range of dental treatments, including restorations, extractions, root canal treatments, and periodontal therapies, under the guidance of experienced practitioners.
- Performed detailed oral assessments and developed patient-centered treatment plans, enhancing diagnostic and clinical decision-making skills.
- Conducted teeth cleaning procedures, scaling, and oral prophylaxis, while educating patients on proper oral hygiene techniques and preventive care measures.
- Utilized digital radiography and imaging tools to assist in the diagnosis and treatment planning of complex dental cases.

- Actively participated in public health initiatives, delivering free dental check-ups and educational programs to underserved communities.
- Maintained meticulous patient records, ensuring all clinical data was accurately documented and treatments were properly followed up.
- Gained hands-on experience in managing both adult and pediatric patients, refining communication skills to effectively cater to diverse patient needs.

Education Summary

- **Bachelor of Dental Surgery (BDS)** – H.P Government Dental College & Hospital, Shimla, India (2012 – 2016)
- **Higher Secondary School** – Central Board of Secondary Education (2010 – 2011)
