ABOUT ME

A warm, organized, and customer-focused Customer Service Receptionist with strong interpersonal and communication skills. Eager to apply my positive attitude and my dental technology degree towards patients and visitors to satisfy their dental queries. With my technical and software skills, I am eager to ensure a smooth online and offline workflow. Highly reliable and adaptable, with a strong work ethic and the ability to thrive in a fast-paced environment.

SKILLS AND CERTIFICATES

- English language proficiency certificate
- Excellent verbal and written communication skills
- Proficient in using computers, scheduling software, and basic office tools
- Strong knowledge of dentistry because of my dental technology degree
- Problem-solving and troubleshooting skills.
- Friendly, patient-oriented attitude with a strong work ethic
- Previous experience in international dental settings to handle in-person and online tasks
