Dedicated General Dentist with 3+ years of hands-on experience across JCI accredited and multi-specialty dental centres in Kuwait, UAE, and Pakistan. Skilled in advanced cosmetic, restorative, and surgical dentistry. Proficient in iTero and CBCT technology. BLS certified, bilingual, and available immediately for associate dentist, Dental Assistant, Dental Hygienist, Dental Nurse or GP roles in Kuwait.

PROFESSIONAL EXPERIENCE

Associate Dentist · **Cosmodent – Karachi, Pakistan**
April 2025 – April 2026

- Managed an independent caseload of restorative, cosmetic, and preventive treatments, delivering full-scope GP dentistry including composites, RCT, extractions, and scaling for 20+ patients per week.
- Performed aesthetic consultations and treatment planning for smile makeover cases involving composite bonding and whitening improving patient satisfaction and case acceptance rates.
- Collaborated with specialist colleagues across orthodontics and oral surgery, ensuring seamless referral pathways and continuity of care for complex multi-stage treatment plans.

Dental Assistant – Cosmetic & Aligner Specialist - **SN Dental Centre (360 Mall), Kuwait City**
September 2024 – December 2024

- Supported 50+ Invisalign and cosmetic veneer cases end-to-end intraoral scanning, IPR, bonding, and debonding maintaining zero case delay across high-volume specialist sessions.
- Executed full veneer delivery protocols including final impressions, retraction cord placement, temporization, and arch preparation, enabling back-to-back specialist scheduling.
- Standardised clinical photography workflow for 100% of aesthetic cases, elevating documentation quality for clinical records and case marketing.

Dental Assistant – Multi-Specialty - **Basma Dental Centre, Kuwait City**
April 2024 – August 2024

- Cross-functioned across prosthodontics, orthodontics, AGP, and oral surgery supporting 5+ consultants; produced diagnostic-grade CBCT and iTero scans with zero retake rate.
- Streamlined instrument turnover between procedures, cutting chair-side prep time and increasing daily patient throughput.

Dental Intern – Rotational - **Altamash Dental OPD, Pakistan**
January 2023 – January 2024

- Completed 12-month rotation across 7 specialties (Oral Surgery, Restorative, Pedodontics, Periodontology, Oral Diagnosis, Prosthodontics, Orthodontics), averaging 15+ patients per session.

Student Dentist - **Thumbay Dental Hospital, UAE (JCI Accredited)**
September 2020 – June 2022

- Clinically examined and treated 200+ patients at JCI-accredited hospital; performed RCT, crowns, bridges, post & core, extractions, and paediatric procedures independently.
- Assisted in periodontal flap surgeries, impacted extractions, and fibroma removal; recognised as Peer Mentor & Teaching Assistant (2021–2022) for top-cohort performance.
