PROFILE

Experienced and compassionate dentist with a strong background in preventive, restorative, and cosmetic dental care. Skilled in patient communication, diagnosis, and treatment planning using the latest dental technologies. Committed to delivering high-quality oral health care in a safe and comfortable environment.

WORK EXPERIENCE

Vision and Smile Dental Care 2024-2025

Completed one year of clinical practice at Vision and Smile Dental Care, gaining hands-on experience in general dentistry and patient management. Assisted in a wide range of procedures including restorations, root canal treatments, and extractions. Developed strong diagnostic skills and improved efficiency in delivering quality dental care.

Glaze dental lab D I Khan SEP-2023 - DEC 2023

Completed 4-month training at Glaze Dental Lab, focusing on the fabrication and design of dental prosthetics. Gained practical experience with crowns, bridges, and dentures using modern lab techniques. Improved understanding of dental materials and lab-dentist coordination for precise restorations.
