WORK EXPERIENCE

AL-TIJARI BANK
STRATEGIC PLANNING & FOLLOW UP

MAR 2022 - NOV 2023

Responsible for assisting the GM of Strategic Planning and Follow Up Division in the execution of the Strategy Report for the Central Bank of Kuwait; enabling the Bank to achieve its desired outcomes by facilitating an efficient follow up process. Roles include:

— Communicate, monitor and follow up with all bank divisions.
— Update KPIs to track & monitor Bank wide goals and Division-specific targets.
— Prepare charts & graphs for the quarterly progress report.
— Data collection & analysis of knowledge-based exams and customer surveys.

AL-TIJARI BANK
QUALITY MANAGEMENT

OCT 2015 - FEB 2022

Track, monitor and create reports on staff assessments and evaluations. Assist in the implementation and training of the bank's strategy toward digitization. Ensure all staff understand the bank's products and services, service quality protocols, digital channel functions and operating the new self service, kiosk and ATM machines. Roles include:

Branch Evaluations: Evaluate staff in 39 branches on dress code, customer service, courtesy, knowledge, work-flow, branch appearance, and the availability of posters and brochures required by the Central Bank of Kuwait.

Agent Evaluations: Evaluate chat, call and virtual agents on their respond time, opening and closing protocol, voice quality, courtesy, and ability to process customer request.

Knowledge Exams: Test staff from different departments and managerial levels. Exams are supervised to achieve fairness & avoid interruptions from colleagues and customers.

Ghost Shopper Program: Initiated this program for non-bank employees from different ages and backgrounds. A workshop is given on Products, Services and Service Quality Standards to familiarize themselves before evaluating the branch staff thoroughly.

Ongoing Reports: Evaluation scores, exam scores, and absenteeism reports are sent to department heads on a monthly and quarterly basis.

Incident Reports: When observing unprofessional or unacceptable behavior during branch evaluations, exams or ghost shopper visits. Further investigation and disciplinary actions may be required. Other incident reports may include furniture or property damage.

Training Sessions: Products & Services - Self Service & KIOSK System - Mobile Banking - Business Etiquette- Service Quality Standards- Branch/Call Protocols- Supervisory Skills.

AL-AHLI BANK OF KUWAIT
BRANCHES

FEB 2012 - JAN 2014

Treated customers with friendly demeanor and provided a positive customer service experience. Ensured all documentation, paperwork and transactions were executed promptly, within compliance and had no operational errors. Roles include:

Relationship Officer: Managed to cross-sell and up-sell bank products suited for each customer. Handled transactions related to accounts, credit cards, loans, KYC and other requests while building strong relationships with the customers.

Service Officer: Greeted walk-in customers, managed the busy work flow, guided customers on using the ATM, handle inquiries related to accounts, products and services and made referrals to the relationship officers for cross-selling opportunities.

Teller: Processed daily cash/cheque deposits, withdrawals and other financial transactions. Made referrals to the relationship officers for cross-selling opportunities.
