EXPERIENCE

Secretary *September 2018 – Present*
Pakistan School, Mangaf, Kuwait

- Responsible for overseeing daily administrative operations and ensuring effective communication between management, teachers, parents, and students. Manage student admissions, registrations, and official correspondence with educational authorities. Maintain confidential records, organize examination materials, and ensure timely preparation of circulars, reports, and documentation. Provide direct support to the Principal and administration by coordinating schedules, managing data entry, and ensuring smooth workflow across all departments. Recognized for accuracy, reliability, and maintaining professional standards in all administrative duties.

Kindergarten Teacher *2012 – 2018*
Pakistan School, Mangaf, Kuwait

- Planned, organized, and conducted engaging lessons for early learners, focusing on developing foundational skills in language, creativity, and social interaction. Designed classroom activities that encouraged curiosity, teamwork, and confidence while maintaining discipline and a nurturing learning environment. Assessed individual student progress through regular evaluations and maintained detailed academic records. Collaborated closely with parents and school administration to address each child's educational and emotional needs. Actively participated in school events, teacher meetings, and curriculum planning sessions to enhance the overall learning experience. Demonstrated strong communication, patience, and leadership in guiding young learners .

CAREER SUMMARY

Throughout my career, I have maintained a record of reliability, accuracy, and professionalism in every role undertaken. My experience has strengthened my organizational and communication skills, enabling me to perform effectively in demanding administrative environments and contribute positively to institutional goals.
