Professional Summary

Versatile and motivated **General Dentist (DDS, 2023 graduate)** with two years of clinical and operational experience, combined with a strong creative background as a **Graphic and Motion Designer** specialized in dental and medical content creation. Experienced in **Dental Sales and Client Communication**, offering a unique mix of clinical precision, visual communication, and persuasive presentation skills. Proficient in general dental procedures, patient consultation, and aesthetic dentistry using **Digital Smile Design (DSD)** and **Dental Photography**. Seeking a position as **General Dentist**, **Dental Assistant**, **Dental Graphic Designer**, or **Dental Sales Representative** to contribute to clinical excellence, brand growth, and patient engagement.

Core Skills

• General Dentistry Procedures (Diagnosis, Consultation, Crowns, Extractions)
• Aesthetic & Digital Dentistry (DSD, Dental Photography)
• Patient Education, Communication & Sales Presentation
• Adobe Creative Suite (Photoshop, Illustrator, After Effects, Canva)
• Social Media Marketing & Dental Branding Design
• Clinic Operations, Inventory & Team Coordination
• Microsoft Office (Word, PowerPoint, Excel)

Professional Experience

General Dentist & Clinic Operator | Private Dental Clinic (Egypt) (2022 – 2024)
• Delivered comprehensive clinical services including diagnosis, consultation, crown & bridge work, fillings, scaling, and whitening.
• Managed daily operations — patient scheduling, inventory, and supplier coordination — ensuring smooth workflow and timely service.
• Utilized DSD and Dental Photography to enhance aesthetic results and patient satisfaction.
• Counseled patients on oral hygiene, post-treatment care, and cosmetic options.
• Ensured full compliance with infection control and sterilization protocols.

Freelance Graphic & Motion Designer | Dental Digital Projects (September 2024 – Present)
• Created engaging dental visuals, infographics, and motion videos to simplify clinical concepts for patient marketing and education.
• Designed and managed complete social media campaigns for dental clinics, achieving strong engagement metrics.
• Specialized in translating complex dental procedures into attractive digital visuals using Adobe After Effects and Illustrator.

Dental Sales & Marketing Assistant | Freelance Collaborations (2023 – 2024)
• Supported dental product marketing campaigns through educational videos and graphic content.
• Presented and explained dental products to clinics, improving understanding and client trust.
• Assisted in client follow-ups, contributing to long-term partnerships and brand awareness.

Education

Bachelor's Degree in Oral and Dental Surgery (DDS) | Misr University for Science and Technology
• Bachelor’s Degree Awarded: 2018 – 2023
• Internship (Clinical Training): 2023 – 2024
