Dear Hiring Manager,

I am writing to express my interest in the position of a Dental Nurse in your clinic. I am very confident that my skills and experience which include but not limited to, strong interpersonal and communication skills, ability to multitask, stay calm under pressure, and work as part of a team, repetitive tasks and work under pressure, attention to details, caring for patients and creating a calm, supporting environment, would allow me to make a valuable contribution to your team.

In my previous job, I worked on very similar clinical tasks such as assisting the dentists and specialists during treatments and procedures, patient care and assistance, cleaning, washing, disinfecting and sterilizing instruments, materials, equipment, table tops and floors, and adequate waste disposal, which helped me gain years of useful experience. I have other skills like team work, flexible attitude and the willingness to take on extra tasks when needed, and I am always ready to learn new things.

I am looking forward to the possibility of getting the chance to work closely with your clinical team. I have attached my CV for your review and hope to hear from you soon.

Sincerely,

Nwokolo Mmachukwu Mukosolu.
