PROFESSIONAL EXPERIENCE

General Dentist — 2024 – Present

Private Dental Clinic – Damascus, Syria

- Conduct detailed clinical examinations and formulate evidence-based, comprehensive treatment plans.
- Perform advanced restorative and cosmetic filling procedures, restoring optimal oral function and aesthetics.
- Deliver successful root canal therapies (endodontic treatments) for complex cases.
- Execute simple tooth extractions and provide critical post-operative care instructions.
- Administer periodontal therapies, including scaling, polishing, and deep cleaning.
- Counsel patients on preventive oral hygiene, fostering long-term compliance and trust.
- Ensure 100% adherence to clinic infection control, sterilization, and patient safety guidelines.

Dental Intern — Oct 2023 – Oct 2024

Ministry of Health / University Hospitals – Syria

- Completed intensive clinical rotations across restorative, surgical, pediatric, and prosthetic dentistry departments.
- Assisted senior specialists in complex surgical and prosthodontic procedures.
- Managed a high volume of daily patient assessments, improving diagnostic efficiency and accuracy.
- Upheld rigorous protocols for patient safety, triage, and cross-contamination prevention.
