POST APPLIYING FOR: General Dentist / Assistant Dentist

OBJECTIVE

To obtain a position as a General Dentist in a reputable dental clinic or healthcare facility in Kuwait, where I can apply my clinical expertise and continue to grow professionally while delivering high-quality patient care. Also open to starting in a clinical support role temporarily to re-establish hands-on experience..

LICENSURE

- Written Kuwait Prometric Exam – Passed.
- Holding a valid Indian Dental Surgeon license.

PROFESSIONAL SUMMARY

- Dedicated and compassionate General Dentist with over 4.5 years of comprehensive clinical experience in a high-volume dental practice.
- Skilled in diagnosis, treatment planning, restorative procedures, endodontics, extractions, and pediatric dentistry.
- Known for delivering gentle, patient-centered care while maintaining high clinical standards.
- Successfully cleared the written Kuwait Prometric Examination and eager to contribute effectively within Kuwait's healthcare system.

EDUCATIONAL QUALIFICATIONS

- Bachelor of Dental Surgery (BDS), Pandit Bhagwat Dayal Sharma University of Health Sciences Rohtak, India.
- Successfully completed 2 months Advance Hands-on Training in Endodontics, Prosthodontics, Pedodontics and Aesthetic Dentistry at Odontos Eduversity, an affiliate of I.F.C.D.E. Vancouver Canada.
- Higher secondary from J&K board of school education.
- Matriculation from CVPS from J&K India.

EXPERIENCE SUMMARY

EMPLOYER	DESIGNATION	PERIOD	EXPERIENCE
Royal Dental Centre Reg No. 0101600004	**General Dentist**	**15th April 2020** to **15th Nov 2024**	**4 years & 7 months**

WORK DESCRIPTION

.

- Conducted comprehensive dental examinations and developed accurate treatment plans.
- Performed restorative procedures including composite and GIC fillings with high aesthetic outcomes.
- Completed single-visit and multi-visit root canal treatments (RCTs) using rotary and manual techniques.
- Managed routine and complicated tooth extractions, including suturing and post-operative care.
- Delivered scaling, polishing, and periodontal therapy.
- Prepared teeth for crowns and bridges, including impressions and temporary restorations.
- Provided pediatric dental care including pulpectomies, extractions, crowns, fluoride applications, and behavior management.
- Interpreted radiographs (IOPA, bitewing, OPG) for precise diagnosis.
- Educated patients on oral hygiene, preventive care, and lifestyle modifications.
- Maintained strict infection control and sterilization protocols.
