It gives me immense pleasure on writing this reference letter for Dr. Drishya Sureshbabu. She has been employed in MY DENTIST MULTISPECIALITY DENTAL CLINIC & IMPLANT CENTRE as a Dentist from 01-NOVEMBER-2020 to 30-JANUARY- 2021. During her tenure, I found her to be extremely knowledgeable, sincere, honest, and hardworking. She possesses good communication skills and is excellent in clinical work.

Dr. Drishya has shown a level of dexterity and self-motivation throughout her tenure with us. She is an organized individual who can manage schedules and complete paperwork efficiently. She is highly skilled in building rapport with both patients and colleagues. I wish we could have retained her as a dentist in the clinic, but she is determined to face higher challenges and gain more exposure internationally. I am more than happy to recommend her and wish her all the best in her future endeavours.
