## PROFESSIONAL SUMMARY

Licensed Dentist with hands-on clinical experience in restorative, endodontic, periodontal, pediatric, and extraction procedures. Experienced in dental clinic operations including sterilization protocols, material management, panoramic and digital sensor imaging, and coordination of daily workflow. Strong background in dental supplies sales and customer communication. Seeking a position in Kuwait as a Dental Assistant, Dental Supplies Representative, or Clinic Administrative Officer.

## CAREER OBJECTIVE

Detail-oriented dental professional aiming to contribute to a private dental center in Kuwait by combining clinical expertise, sterilization standards, dental materials management, and strong communication skills. Committed to supporting dentists, optimizing clinic inventory systems, and ensuring smooth administrative and procurement processes.

## EDUCATION

Bachelor of Dental Surgery (BDS) – Damascus University – 2024

## PROFESSIONAL EXPERIENCE

**General Dentist – Dr. Mazen Rakkab Dental Center, Sweida, Syria (October 2024 – August 2025)**
