LEILA EL DEBEK

DENTAL STUDENT | CLINICAL INTERN

PROFESSIONAL PROFILE

Fourth-year dental student at the University of Georgia, Tbilisi, with strong academic performance and substantial hands-on university clinical exposure. Experienced in managing caries and scaling cases under academic supervision, with consistently high results in dental subjects and a 100/100 record in Dental Surgery over the past two years. Seeking a one-month clinical internship to contribute to a dental team, strengthen practical skills, and learn from experienced clinicians.

EDUCATION

Doctor of Dental Medicine / Dentistry — Expected Feb 2028

University of Georgia, Tbilisi
GPA: 3.25 • Dental Surgery: 100/100 (past 2 years) • 90+/100 in dental subjects

Science Diploma

Jabriya Indian School, Kuwait

CLINICAL EXPERIENCE

University Dental Clinics — Tbilisi, Georgia

- Provided hands-on treatment for numerous caries and scaling patients as part of university clinical training.
- Built practical experience in patient assessment, operative dental procedures and periodontal scaling under supervision.
- Developed confidence in chairside workflow, clinical organization and patient communication.
- Maintained a strong academic record while completing demanding clinical requirements.

GHOST Internship — Tsereteli, Tbilisi — 1 month

- Gained exposure to professional dental-clinic routines and real-world clinical teamwork.
- Observed and supported day-to-day patient care while learning from the clinical environment.

ADDITIONAL EXPERIENCE

University Student Administration — 1 year

- Supported student administrative activities and communication within the university environment.
- Strengthened organization, responsibility, teamwork and problem-solving skills.

WHAT I BRING TO A DENTAL TEAM

- Reliable, cooperative and highly motivated, with a strong willingness to learn and work.
- Comfortable working under pressure and maintaining focus during demanding clinical days.
- Eager to contribute to a clinic while expanding practical dentistry skills and professional confidence.
