PROFILE SUMMARY

Dedicated and detail-oriented Dentist with a strong foundation in clinical procedures, patient care, and general dentistry. Skilled in performing oral examination, diagnosing dental issues, providing preventive and restorative treatments, and delivering quality care focused on patient comfort and education.

I am seeking for an opportunity to grow within a professional dental practice where I can apply my skills and contribute to exceptional patient care.

WORK EXPERIENCE

- **General Dentist** (Feb 2024 – Jun 2025)
  Al Ameen Multi-Specialty Dental Clinic – Kochi, Kerala-India
- **Compulsory Rotating Resident Internship** (Dec 2022 – Jan 2024)
  Government Dental College – Kannur, Kerala-India

SKILLS

- Proficient in clinical procedures such as filling (Composite, GIC, Amalgam, etc.)
- Experienced in the extraction of permanent and deciduous teeth, including surgical extractions.
- Skilled in the fabrication of complete and partial dentures as well as crown cementation.
- Capable of performing root canal treatments on permanent anterior and deciduous teeth.
- Proficient in supragingival and subgingival scaling.
- Knowledgeable in handling medical equipment.
- Known for a polite and gentle demeanor when interacting with patients.

EDUCATION

Bachelor of Dental Surgery (BDS) (Sep 2017 – Sep 2022)
Government Dental College – Kannur, Kerala-India

Completed Bachelor's Degree in Dental Surgery from Government Dental College, Kannur, affiliated with Kerala University of Health and Science (KUHS).

ACHIEVEMENTS

- Completed a 15-day rotation in Emergency Medicine as part of the house surgery program.
- Participated in numerous dental health screening and treatment programs.
- Positioned at a primary health center as part of the house surgery program.
